

The Acquired Brain Injury Program at St. Joseph's Health Care London, Ontario has Survivor and Family Education Series available for viewing via webcasts on the Internet. The series explores such topics as

- The structure and function of the brain and what goes wrong when an injury happens
- Practical strategies for managing life after ABI
- Role changes after ABI
- Returning to activities such as driving, work and school
- New developments in the field of brain injury and brain injury advocacy.

The 2009 series is now available for viewing on the Internet through the Ontario Telehealth Network.

HOW TO ACCESS ARCHIVED WEBCASTS OF THE SURVIVOR AND FAMILY EDUCATION SERIES

1. Click on this link: <http://webcast.otn.ca/archives.html>
